COMPANY PROFILE

Since its inception in 1992, IMEC has been bringing cleaning innovations and solutions to Malaysia, and countries worldwide. As the leading supplier of commercial and industrial cleaning products, IMEC offers the best range of hygiene solutions to various industries including Hospitality, Healthcare, Banking, Retail, Food & Beverage, Manufacturing, and Government agencies for both Domestic and International Market.

In 2011, IMEC marked a new milestone with its headquarter moved to a new bigger premise with full facilities in Malaysia. With a fully equipped Research & Development facility, IMEC strives for continuous product improvement and development to build new market trends and set new standards for excellence in the cleaning industry.

In addition to our strong Sales & Service Network in Malaysia and Asia Pacific Region, IMEC now brings to you a whole new buying experience for Hygiene Solutions via [IMEC Online Store!](#)

WE UNDERSTAND YOUR CLEANING NEEDS.

"At IMEC, we understand your cleaning needs. Our years of experience and continuous effort in Product Research & Development makes us who we are today. We take the lead in new product innovations and set the trend in cleaning industry. Together, we can achieve a safer & cleaner environment for you and future generations."

Managing Director
IMEC HYGIENE SDN BHD

VISION

We aspire to be a global leader of commercial and industrial cleaning products and equipments, not only as an OEM and sole distributor of international brands, but also as a manufacturer of our own internationally-recognized brands. In short, we aim to be "THE GLOBAL HYGIENE SOLUTION PROVIDER".

MISSION

- To provide all commercial and industrial hygiene solutions to our customers.
- To always exceed customer expectations.
- To stamp out footprint all over the Asia Pacific region.
- To extend our marketing reach beyond Asia Pacific's borders and makes inroads into other continents.
- To intensify R&D efforts to introduce quality brands of our own.

CUSTOMER SERVICE

IMEC reputation is built on caring customer support. Our team is well trained and always ready to provide prompt service. It is our commitment to offer the greatest convenience to our customer.

CARE FOR THE ENVIRONMENT

We are devoted to care for the environment. Our privacy reflects our desire to formulate high performance cleaning chemicals which are safe to use and care for the future environment.

CONSULTANCY & TRAINING

IMEC provides training programmes in the use of IMEC cleaning chemicals and machineries as a complementary and value added service to our Sales and Marketing efforts.

INNOVATION & RESEARCH

We strive for continuous product improvement and development. We are ahead into research innovative and environmental friendly hygiene products. We serve the best range of products from all over the world.

DISTRIBUTORSHIP

Today, IMEC is the sole distributor for several international renowned brands in the region.

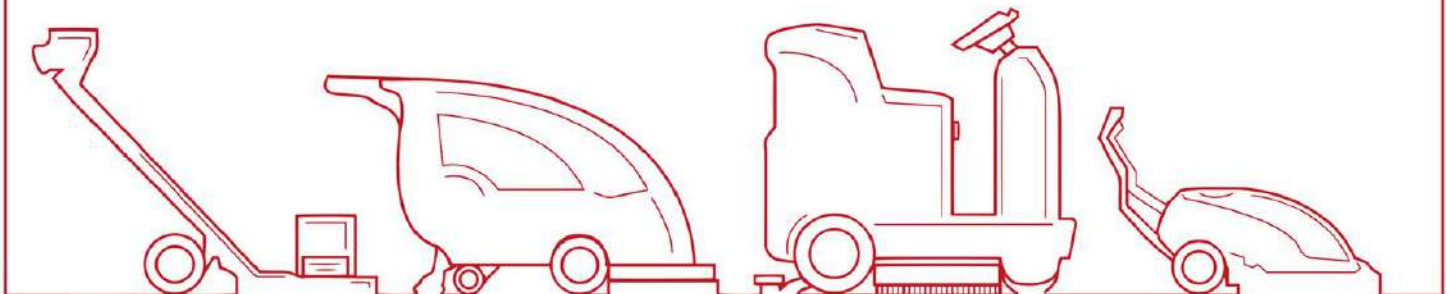

CERTIFIED

As an MS ISO 9001:2015 certified company, IMEC adhere to strict quality control standards.

Most of IMEC detergents are now certified as Halal by JAKIM and safe to use in the kitchen, F&B and food manufactured industries.

*Colours of actual product may slightly differ from colours printed in this catalogue. The specifications of products are subject to changes without prior notice.

TECHNICAL SPECIFICATIONS

Product Code	220-i43B
Voltage	DC 36V, 8 Ah
Current Rated	10.4Ah
Brush Motor / Rated Power	200 W
Brush/Pad Speed	350 RPM
Pad/Brush Size	8" x 2pcs
Squeegee/Suction Width	50cm
Recovery Tank Capacity	6.5L
Working Width	43 cm
Working Capacity	1,300 m ² /hr
Run Time	Up to 70 min
Charging Time	8 hours
Product Size	45(L) x 36(W) x 120(H)
Product Weight	18.5 kg (inc battery)
Standard Accessories	8" x 2pcs Brush, Charger & Battery
Noise Level	65-67 dB(A)

Note:
1. Do not use with acidic and chlorinated detergent
2. Not recommended to use the machine when battery is below 40%

IDEAL PLACES TO USE

"Makes Cleaning Operation Intelligent,
Interactive and Easy"

FIMAP MMg

Artificial Intelligent Ride on Scrubber

The complete overview of all the machines is available on a single web portal accessible 24/7 on PCs and tablets

FFM can tell you at once everything you need to know about your machines:

-  Where they are
-  Downtimes
-  What task they are performing
-  Service history
-  Who is carrying out the cleaning operation
-  Issues
-  Days and times of use

MMg is the most advanced Fimap machine. The most innovative solutions are used to increase productivity and get the best results and benefits in small and medium areas. The new design provides comfort and safety during use and highlights the product quality. MMg is available as scrubbing, scrubbing-sweeping and orbital machine in both basic and Plus versions. Plus versions are equipped with the innovative technology FFM – FIMAP Fleet Management.

What is FFM?

FFM is the FIMAP service that helps cleaning professionals to improve the performance and increase the productivity of their fleet. It provides a comprehensive overview, updated in real time, of the purchased machines and of the activity being performed and can be displayed on any device : computer, tablet or smart phone. With one click you can know if the operation is being carried out according to plans, at the scheduled time and place.

A better fleet management allows you to:

-  Save time and money
-  Reduce on-site inspections
-  Reduce costs of ownership
-  Keep your fleet permanently efficient
-  Increase productivity
-  Eliminate downtimes
-  Plan investment more easily
-  Use the fleets as planned
-  Call for service only when necessary
-  Offer a transparent service at definite costs

DETERGENT

STRIPPER

pH (0.5±) : 12.0

IMEC 501 Instant Strip

Code
100-501-C

Packing
2 x 10 L / Ctn

- Fast acting solvent based stripper
- Use on all floor surfaces except linoleum and rubber tiles
- High performance
- Used for removing old wax or water emulsion polish except permanent wax and epoxy coating
- Best for removing thick polish at edges
- Dilution at 1:3 (mopping) and neat (old wax) built-up

pH (0.5±) : 12.5

IMEC 502 Meta Strip

Code
100-502-C

Packing
2 x 10 L / Ctn

- Synthetic stripper
- Use on all floor surfaces
- Used for removing old wax or water emulsion polish
- Require rinsing prior application of floor polish
- Dilution at 1:10 (scrubbing)

▶ Using IMEC P10N Pump prevents leakage and wastage during dispensing detergent

FLOOR SEALER

pH (0.5±) : 9.5

IMEC 506 Meta Seal

Code
100-506

Packing
5 U.S. Gallon / Pail

- Water based acrylic emulsion sealer
- Best for porous and badly worn-out floorings
- Good heel mark resistance to hard surface
- Apply neat for 2-3 coats
- Drying time approx. 30 mins per coat
- Use on all type of flooring
- Apply IMEC 504 Poly Lite or IMEC 505 Thermo Meta for "wet look" result
- Coverage of 6,000 sq.ft. per 5 U.S.Gal (1 coat)

pH (0.5±) : 7.0

IMEC 507 Stone Seal

Code
100-507

Packing
5 U.S. Gallon / Pail

- Full acrylic emulsion sealer
- Recommended for corridor, under rain and shine condition
- Suitable for surfaces easily affected by dampness
- Provide abrasion resistance in heavy traffic area
- Resists grease, oil and soil penetration
- Use on cement/concrete flooring/stone wall
- Apply neat for 2-3 coats
- Drying time approx. 30 mins per coat
- Coverage of 6,000 sq.ft. per 5 U.S.Gal (1 coat)

BUFFING SOLUTION

pH (0.5±) : 9.0

IMEC 509 Poly-Buffer

Code
100-509-5

Packing
5 L / Bottle

- Acrylic spray buff maintainer
- Ideal to be used with Ultra High Speed Burnisher
- Provides a durable and durable film with low dirt absorption
- Use on all coated flooring
- Gives minimal smear when burnished
- Coverage of 50,000 sq.ft. per 5L (spray buffing)

FLOOR POLISH

pH (0.5±) : 9.0

IMEC 504 Poly Lite

Code
100-504

Packing
5 U.S. Gallon / Pail

- High solids metal-interlocked emulsion polish
- Use on vinyl, thermoplastic, asphalt and sealed porous floor
- Gives high degree of glass levelling and good heel mark resistance
- Apply neat for 2-3 coats
- Drying time approx. 30 mins per coat
- Coverage of 7,500 sq.ft. per 5 U.S.Gal (1 coat)

pH (0.5±) : 9.0

IMEC 505 Thermo Meta

Code
100-505

Packing
5 U.S. Gallon / Pail

- Thermoplastic metal-interlocked emulsion polish
- Produce an excellent hard-wearing, slip resistant, protective film, heel mark resistance
- Use on vinyl, thermoplastic, asphalt and sealed porous floor
- Apply neat for 2-3 coats
- Drying time approx. 30 mins per coat
- Coverage of 7,500 sq.ft. per 5 U.S.Gal (1 coat)

▶ IMEC Floor Polish is slip resistant and protects the flooring

DETERGENT

HARD SURFACE CLEANER

pH (0.5±) : 7.0

IMEC 511 Kleen All

Code 100-511-C Packing 2 x 10L / Ctn

- Highly concentrated multi-purpose neutral cleaner
- Safe to use on all surfaces
- Highly efficient for general cleaning maintenance
- Environmental friendly and no rinsing is required
- Dilution at 1:100 (spraying), 1:250 (mopping)

pH (0.5±) : 7.0

IMEC 551 MP7

Code 100-551-C Packing 2 x 10L / Ctn

- Highly efficient multi-purpose hard surface neutral cleaner
- Suitable for general cleaning maintenance
- No rinsing is required
- Use on all surfaces
- Dilution at 1:50 (spraying), 1:200 (mopping)

pH (0.5±) : 13.0

IMEC 510 Surf Kleen

Code 100-510-C Packing 2 x 10L / Ctn

- Biodegradable alkaline general purpose cleaner
- Removes dirt, dust, oil and grease
- For all hard floor surfaces except marble, granite and wax coating
- User friendly
- Requires rinsing after application
- Dilution at 1:5 (spraying), 1:250 (mopping)

pH (0.5±) : 11.0

IMEC 599 M Clean

Code 100-599-C Packing 2 x 10L / Ctn

- Rinse free pleasant odour detergent
- Cuts through stubborn dirt without much effort
- Versatile for most cleaning task
- Dilution at 1:3 (spraying), 1:250 (mopping)

pH (0.5±) : 11.0

IMEC 599 M Clean GP

Code 100-599GP-C Packing 2 x 10L / Ctn

- Non caustic cleaner
- Rinse free cleaner without fragrant
- Suitable to use with auto scrubber machine
- Dilution at 1:3 (spraying), 1:250 (mopping)

pH (0.5±) : 0.5

IMEC 516 Cement Solve

Code 100-516-C Packing 2 x 10L / Ctn

- Highly concentrated acidic cement remover
- For quick removal of unwanted cement on mosaic and quarry tiles
- Rinse thoroughly with water
- Handle with care, do not mix with chlorinated chemicals
- Dilution at 1:5 (spraying)

pH (0.5±) : 2.0

IMEC 518 Strate Kleen

Code 100-518-C Packing 2 x 10L / Ctn

- Heavy duty acid stain remover
- Highly effective descaler, rust and fungus removal
- Suitable for mosaic, tiles and bricks
- Handle with care, do not mix with chlorinated chemicals
- Rinse thoroughly with water
- Dilution at 1:3 (spraying and mopping)

▶ Do you know that IMEC Spray Gun can be use with highly acidic or alkaline detergents?

DETERGENT

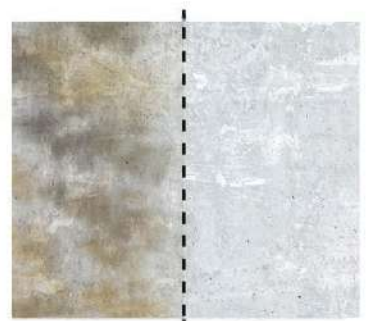

DEGREASER

pH (0.5±) : 13.0

pH (0.5±) : 13.0

Before After

IMEC 514 Industrial Degreaser

Code 100-514-C
Packing 2 x 10L / Ctn

- Water based biodegradable degreaser
- Safe to use in F&B area
- Contains rust inhibitor
- Highly recommended for removing vegetable and mineral oil
- To be use in food processing plant, municipalities, printing and marine industry
- Dilution at 1:30 (normal duty), 1:5 (heavy duty)

IMEC 584 DC10

Code 100-584-C
Packing 2 x 10L / Ctn

- Solvent based ultra duty degreaser
- Penetrate and dissolve even the heaviest grease accumulations
- Use in shipping and bus terminal floors, machine and automotive industry, engine room and liquid food cargo tanks
- Dilution at 1:50 (normal duty), 1:10 (heavy duty), 1:20 (auto scrubber)

STONE CARE SYSTEM

IMEC MPP-A Marble Powder for All Colours

Code 130-1400-5
Packing 5 kg / Pack

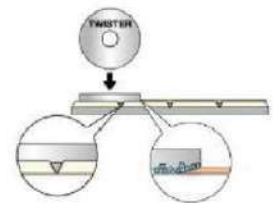

- Revitalised dull and lifeless floor to a sparkling finish
- Use IMEC 509 as daily maintenance to enhance glossy surface
- Dilution at 1 scoop: 1 scoop of water per 10 sq.ft. (scrubbing)

IMEC D100 Floor Diamond Coat

Code 130-1460
130-1460-C
Packing 1 kg / Bottle
6 x 1 kg / Ctn

- Works as crystal shield for all kind of flooring to Restore, Protect and Maintain
- Protects against dust, acid/alkaline, washing, scratch and stain, and excellent self-cleaning performance

KITCHEN CLEANER

IMEC 548 Dishwash

Code 100-548-5
100-548-C
Packing 5 L / Bottle
2 x 10L / Ctn

- Highly concentrated hand dishwashing liquid
- Contain neutral biodegradable ingredient
- Use on dishes, cutlery, glassware and household utensils
- Rapidly removes oil
- Mild and gentle on skin
- Dilution at 1: 100

IMEC 575 Oven Kleen

Code 100-575-C
Packing 2 x 10 L / Ctn

- High performance alkaline oven cleaner
- For removing carbonized fats, oils and grease
- Ideal for cleaning grill drip pan, porcelain and glass
- Safe to use on iron
- Contain corrosion inhibitor to protect metalware
- Apply to warm oven
- No dilution is required (neat)

IMEC 578 Sustract

Code 100-578-2
Packing 2 kg / Pack

- One step non-corrosive sanitizer, deodorizer and cleaner for F&B equipments
- Safe to use on all cleaning surfaces
- Food grade standard
- Excellent for walk-in coolers, refrigerators, storage containers and all area within kitchen where cleaning and sanitizing is important
- Dilution at 1 scoop : 20 L

KITCHEN DISPENSING SYSTEM

IMEC 557 Mac Kleen

Code 100-557-C
Packing 2 x 10 L / Ctn

- Biodegradable concentrated detergent for dishwashing machine
- Contain metasilicate to protect chinaware and metalware
- Dispense through IMEC PRO D.5578 Dispenser
- Dilution at 1:333 (spraying)

IMEC 558 Rinse Aid

Code 100-558-C
Packing 2 x 10 L / Ctn

- Rinsing detergent for dishwashing machine
- Will not dull surface, leaving a clear, sterile surface without spotting or streaking
- Reduce drying time
- Dispense through IMEC PRO D.5578 Dispenser
- Dilution at 1:1667 (spraying)

IMEC 579 Meczym

Code 100-579-C
Packing 2 x 10 L / Ctn

- Non-caustic biological grease trap maintainer
- Dispense through IMEC PRO D.579 Dispenser
- Composed of a synergistic blend of bacteria strains and multiple enzyme system which will break down grease, fats and other complex organic material naturally
- Kept free flowing and odour-free non-caustic biological grease trap maintainer

IMEC PRO D.5578 Automatic Pump Digital

Code 120-1802
Packaging 1 Unit / Box

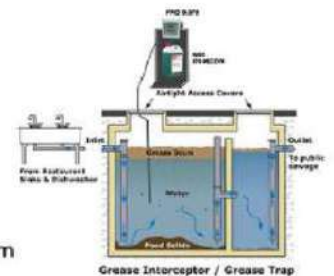

- Digital time programming for Mac Kleen and rinse aid dosing
- Spray accurate dosage for mixing to ensure best cleaning performance

IMEC PRO D.579 Timer Control for Chemical

Code 120-1852
Packaging 1 Unit / Box

- Digital time programming for grease trap maintainer dosing
- Prevent grease build up from blocking drainage system
- The ultimate solution to built-up Grease Management

IMEC SV 292i

Dry Vacuum Cleaner
Code 210-292

Technical Specification

Motor	1000 W (Single-Stage)
Tank Capacity	10 L
Voltage	220 - 240 V
Mode of Cooling	Circulating Air Cooling
Air Flow Rate	48 L/s
Vacuum Suction	210 m/Bar
Noise Level	60 dB(A)
Dimension (cm)	39 (L) x 40 (W) x 38 (H)
Weight	7.1 kg
Cable Length	6 m

- Robust power switch & side bucket clip
- Big rear wheels for better maneuverability
- Built-in rear mounted parking tool to secure the accessories
- Low noise level, handy size
- Ideal for households, factories, office buildings, etc.

IMEC iBlack 295i

Super Power Dry Vacuum Cleaner
Code 210-295

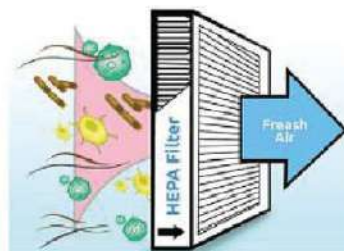

Technical Specification

Motor	1100 W (Double-Stage)
Tank Capacity	10 L
Voltage	220 - 240 V
Mode of Cooling	Circulating Air Cooling
Air Flow Rate	52 L/s
Vacuum Suction	230 m/Bar
Noise Level	56 dB(A)
Dimension (cm)	39 (L) x 40 (W) x 38 (H)
Weight	7.6 kg
Cable Length	6 m

- Robust power switch & side bucket clip
- Big rear wheels for better maneuverability
- Built-in rear mounted parking tool to secure the accessories
- Low noise level, handy size
- Ideal for households, factories, office buildings, etc.

Do you know that by using HEPA Filter bag, our vacuum cleaner can filter 99.7% airborne pathogens?

VACUUM CLEANER

DRY VACUUM CLEANER

IMEC iBlack V6B

Backpack Vacuum Cleaner Battery Operated
Code 220-V6B-00

Technical Specification

Voltage	24 V
Motor	350 W
Tank Capacity	5 L
Mode of Cooling	Air Cooling
Air Flow Rate	50 L/s
Noise Level	<45 dB
Product Size (cm)	25 (L) x 25 (W) x 59 (H)
Weight	6.7 kg

- Freedom movement without hassle of cable
- More efficient compared to corded vacuum. It's flexibility and convenience movement to clean into places where corded vacuums are inconvenient to use
- Reduce the cleaning time and energy, clean larger area 3 times more than conventional upright vacuuming methods
- Well-padded, adjustable harness and lightweight design to avoid discomfort and pain
- 4 stages of filtration which traps 99.97% of dirt, dust and pollen down to 0.3 microns with HEPA
- Low Noise Level

Fit up to 40° waist strap and buckle lock

Dual side pocket for user to keep accessories handy

Convenience movement even at hard to reach area

IMEC iBlack V3

Backpack Vacuum Cleaner
Code 220-V3

Technical Specification

Motor	1000 W
Tank Capacity	3 L
Voltage	220 - 240 V
Mode of Cooling	Circulating air cooling
Air Flow Rate	42 L/s
Vacuum Suction	180 M/Bar
Noise Level	56 dB(A)
Product Size (cm)	27 (L) x 20 (W) x 43 (H)
Weight	5.1 kg
Cable Length	17 m

- Versatile and light weight
- Can be carried on the back with ease and comfort
- Ergonomic design that reduces strain on the back
- Designed for those who want freedom of movement during vacuuming
- Suitable to use at train, airplane, cinema and lecture hall

IMEC iBlack V3 PLUS

Backpack Vacuum Cleaner
Code 220-V3-Plus

Technical Specification

Voltage	220 - 240 V
Motor	1000 W
Tank Capacity	4 L
Mode of Cooling	Circulating air cooling
Air Flow Rate	50 L/Sec
Vacuum Suction	215 M/Bar
Noise Level	82.9 dB(A)
Product size (cm)	33 (L) x 30 (W) x 53 (H)
Weight	6.4 kg
Cable Length	18 m

- Suitable for narrow spaces like trains, air places, cinema and lecture hall
- Perfect design for operator comfort
- Strong suction
- Designed for those who want freedom of movement during vacuuming

Circulating air

Comfortable chest and waist lock

VACUUM CLEANER

IMEC GP 27

HEPA Dry Vacuum Cleaner
Code 210-127

Technical Specification

Motor	1300 W
Tank Capacity	27 L
Voltage	220 - 240 V
Mode of Cooling	Through-Flow Motor
Air Flow Rate	55 L/s
Vacuum Suction	2870 mmHg
Noise Level	74 dB(A)
Dimension (cm)	35 (L) x 35 (W) x 61 (H)
Weight	9 kg
Cable Length	7 m

- Powerful 1300 watt super high-speed vacuum for deep cleaning
- Large capacity for prolonged use and efficiency
- 4 stage of filtration with 2 stage of H14 HEPA filter
- Secondary HEPA filter prevents escape of dust from carbon brushes
- Highly recommended for hospital & clean room
- Filters up to 0.005% of 0.1 micron particles

Built-in accessories holder

Optional:

Microfiber Bag (10pcs / pack)
210-127-4

▶ DRY VACUUM CLEANER

IMEC SW 550i

Industrial Wet and Dry Vacuum Cleaner
Code 210-0550-00

Technical Specification

Motor	1100 W
Tank Capacity	30L / 40 L
Voltage	220 - 240 V
Mode of Cooling	Circulating Air Cooling
Air Flow Rate	53 L/s
Vacuum Suction	230 m/Bar
Noise Level	78 dB(A)
Dimension(cm)	37 (L) x 38 (W) x 72 (H)
Weight	9 kg
Cable Length	7 m

- Single motor wet and dry vacuum cleaner
- PP tank
- Lightweight for higher productivity and suitable to use in congested areas such as kitchen, restaurants, schools, etc.
- Comes with standard accessories

WET AND DRY VACUUM CLEANER

Dry Pick Up

Wet Pick Up

Full Accessories

IMEC SWD 1150i

Stainless Steel Industrial Wet and Dry Vacuum Cleaner
Code 210-1150

Technical Specification

Motor	2 x 1100W
Tank Capacity	60 L / 75 L
Voltage	220 - 240 V
Mode of Cooling	Circulating Air Cooling
Air Flow Rate	106 L/s
Vacuum Suction	250 m/Bar
Noise Level	78 dB(A)
Dimension(cm)	49(L) x 50(W) x 93(H)
Weight	23 kg
Cable Length	8 m

- Excellent two motors offer superior power for vacuuming wet spills and dry dirt
- Large tank capacity also helps to cut down waste disposal time
- Built-in discharge hose provides hassle free cleaning and disposing dirty water
- Stainless steel body suitable for heat sensitive area
- Comes with standard accessories

IMEC SWD 1500i

Industrial Wet and Dry Vacuum Cleaner
Code 210-1500

Technical Specification

Motor	2 x 1100 W
Tank Capacity	70 L / 90 L
Voltage	220 - 240 V
Mode of Cooling	Circulating Air Cooling
Air Flow Rate	106 L/s
Vacuum Suction	250 m/Bar
Noise Level	78 dB(A)
Dimension(cm)	48(L) x 51(W) x 95(H)
Weight	25 kg
Cable Length	8 m

- Semi transparent PP tank that break-resistant and visible; waste water in tank can be viewed
- Two motors provide strong suction, ensure efficient water pick up and gives streak free, excellent drying result
- Built-in discharge hose, provides hassle free cleaning and disposing dirty water
- Large tank capacity significantly cut down waste disposal time
- Comes with standard accessories

Use IMEC 524 De Foam to eliminate excess foams when using wet and dry vacuum cleaner

Toilet Cubicle

IMEC P130

10" Single Disc Scrubber Machine
Code 220-P130

Technical Specification

Motor	250 W
Voltage	220 - 240 V
Speed	150 rpm
Pad/Brush Size	10"
Weight	14.8 kg
Cable Length	10 m
Transmission	Planetary Gear

★ Standard Accessories
Brush & Pad Holder

- Ideal for staircase cleaning, washroom, kitchen & other hard-to-reach spaces
- Lightweight mobile floor scrubber
- Easy to operate with no experience needed
- Effective cleaning with agitation system
- Low noise level
- Ideal for tight spaces and small areas that other scrubbers cannot do

IMEC P160

16" Single Disc Floor Scrubber Machine
Code 220-P160

Technical Specification

Motor	1500 W
Voltage	220 - 240 V
Speed	154 rpm
Pad/Brush Size	16"
Weight	51.8 kg
Cable Length	12 m
Transmission	Planetary Gear

★ Standard Accessories
Solution Tank
Brush & Pad Holder

★ Optional Accessories
Shampoo Brush

- Excellent choice for restaurant, hotels, retail stores, factories, warehouses and hospitals
- Economical yet heavy duty floor scrubber
- Easy to operate and maintain
- Comes with protective bumper

Heavy duty bumper & powerful motor

Twist to adjust water level

IMEC P190

17" Single Disc Floor Scrubber Machine
Code 220-P190

Technical Specification

Motor	1100 W
Voltage	220 - 240 V
Speed	160 rpm
Pad/Brush Size	17"
Weight	53 kg
Cable Length	11 m
Transmission	Metal Gear

★ Standard Accessories
Solution Tank
Pad Holder
Scrubbing Brush

- Heavy weight machine provides higher productivity and stability
- Perfect for cleaning hard floor and carpet bonnet cleaning
- Ideal for a variety of floor types such as concrete, coated floors, stone, ceramic, tiles, PVC and linoleum, parquet, wood and carpet
- 12L solution tank which can dispense cleaning solution on the floor for effective cleaning
- Powerful 1100W heavy duty motor
- Ergonomic handle design with adjustable handle based on user preference
- Fully surrounded and non-marking rubber bumper protects the machine from damage
- Suitable to use 16" or 17" floor cleaning pad or brush diameter
- User-friendly manual floor scrubber designed to deliver effective cleaning task
- Well balance machine and provide good stability to the user
- Highly durable chrome metal polished chassis

Well balanced machine and good stability

12L solution tank to dispense cleaning solution

FLOOR CARE MACHINE

FLOOR SCRUBBER

IMEC iBlack 480

HD Single Disc Floor Scrubber Machine
Code 220-P480

Technical Specification

Motor	2000 W
Voltage	220 - 240 V
Speed	175 rpm
Pad/Brush Size	17"
Weight	55 kg
Cable Length	12 m
Transmission	Planetary Gear

★ Standard Accessories
Pad Holder
Solution Tank

★ Optional Accessories:

Orange HD Oil Brush (220-480) Scrubbing Brush (220-167) 20kg S/Steel Pad Holder (220-489)

- Heavy weight for incredible cleaning outcome
- Ideal for floor scrubbing, stripping and crystallization system
- Heavy weight provides extra stability & productivity
- Rugged, chrome body
- Fully adjustable handle
- 20kg Pad Holder is highly recommended for stone crystallization system

IMEC i-Scrub 25

Floor & Wall Scrubber with Small Orbital Motion
Code 220-i25

Technical Specification

Motor	180 W
Voltage	220 - 240 V
Speed	2800 rpm
Pad Size	25 cm (L) x 13 cm (W)
Weight	13 kg
Cable Length	5 m
Transmission	Motor Direct (Orbital)

★ Standard Accessories
White & Green Scrubbing Pad

★ Optional Accessories:
Marble Restoration Pad

- Small orbital machine with high speed of rotation for excellent gloss result
- Easy to operate with no experience needed
- Ergonomic & maneuverable handle. Make every narrow space scrubbing possible
- Low noise operation
- Ideal for staircase, washroom, kitchen, wall, table top cleaning

IMEC FIMAP ORBITIZER

Cordless Floor Scrubber
Code 280-109940

Technical Specification

Working Width	34 cm
Motor	300 W
Oscillations	3,800 opm
Pressure on the orbital head	7 kg
Solution Tank	1 L
Power Supply	36 V
Run Time	Up to 1 Hour
Sound Level (dB)	<70
Product Dimension (cm)	33 (W) x 129 (L) x 32 (H)

★ Standard Accessories
IMEC Pad (Black, Red, White)

★ Optional Accessories:
2L Long Range Backpack

- Ideal to use at all area with just one cordless machine, floor treatments in most inaccessible spaces can be done
- Orbital technology - The cleaning result is uniform over the entire surface
- 3,800 oscillations/minute - Cleaning head with rotating micro-movements
- The low cleaning head allows to clean areas that other machines can't reach
- Perfect for edges - Narrow spaces and hard to reach area
- Suitable to work on floors like ceramic, vinyl, concrete, marble, granite and resin flooring
- 2 front nozzles to spray out the detergent - Release 60 microns that suitable to spray on the floor and any application

FLOOR CARE MACHINE

FLOOR SCRUBBER

Consume lesser electricity

Orbital movement holds the water inside the pad holder

IMEC P430 RO

17" Single Disc Scrubber with Rotary Orbital Motion
Code 220-108150

Technical Specification

Motor	1,100W
Voltage	220 – 240V
Frequency	50 – 60Hz
Speed	90rpm / 1,400 obm (orbits per min)
Pad Holder Size	17"
Noise Level	<60dB(A)
Solution Tank Capacity	15L
Dimension (cm)	46 (L) x 56 (W) x 120 (H)
Weight	41kg
Cable Length	15 m

★ Standard Accessories
Solution Tank
Pad Holder

- Multi-function: scrubbing/maintenance, crystallization, de-waxing, polishing, carpet cleaning restoring marble floors
- Increase Productivity: Innovative roto-orbital technology generates a constant orbital movement that allows to pass very swiftly at the same position multiple times.
- Extraordinary performance - create rotational movements with a diameter of about 1cm with 1,400 passes per minute
- Ideal for daily cleaning, maintenance and heavy duty cleaning

IMEC P430 RO-S

17" Single Disc Scrubber with Rotary Orbital Motion and Spray
Code 220-108430

Technical Specification

Motor	1,100W
Voltage	220 – 240V
Frequency	50 – 60Hz
Speed	90rpm / 1,400 obm (orbits per min)
Pad Holder Size	17"
Noise Level	<60dB(A)
Solution Tank Capacity	15L
Dimension (cm)	46 (L) x 56 (W) x 120 (H)
Weight	42kg
Cable Length	15 m

★ Standard Accessories
Solution Tank
Pad Holder

- Multi-function: scrubbing/maintenance, crystallization, de-waxing, polishing, carpet cleaning restoring marble floors
- Equipped with adjustable pump spraying nozzle
- 3-position button for spraying – continuous, neutral or intermittent spraying
- Increase Productivity: Innovative roto-orbital technology generates a constant orbital movement that allows to pass very swiftly at the same position multiple times.
- Extraordinary performance - create rotational movements with a diameter of about 1cm with 1,400 passes per minute

Consume lesser electricity

Orbital movement holds the water inside the pad holder

IMEC P430 DS

17" Single Disc Scrubber Dual Speed
Code 220-105930

Technical Specification

Motor	1,250W (Speed 1) / 1,700W (Speed 2)
Voltage	220 – 240V
Frequency	50 – 60Hz
Pad Speed	180rpm (Speed 1) / 400rpm (Speed 2)
Pad Holder Size	17"
Noise Level	<60dB(A)
Solution Tank Capacity	15L
Dimension (cm)	46 (L) x 56 (W) x 120 (H)
Weight	35kg
Cable Length	15 m

★ Standard Accessories
Solution Tank
Pad Holder

- Multi-function: scrubbing, polishing, bonnet cleaning
- Comes with dual-speed – 180rpm (scrubbing) & 400rpm (polishing)
- Powerful Dual Motor & Dual RPM provide strong power output
- The off-set position of the engine ensure a well- balanced weight distribution – effortless and easy use for the user

Consume lesser electricity

FLOOR CARE MACHINE

▶ ULTRA HIGH SPEED FLOOR POLISHER

IMEC P1700

16" Ultra High Speed Floor Polisher
Code 220-P1700

Technical Specification

Motor	1600 W
Voltage	220 - 240 V
Speed	1700 rpm
Pad Holder Size	16"
Vacuum	300 W
Weight	39 kg
Cable Length	15 m
Drive	Belt

★ Standard Accessories
Pad Holder

- Maintenance free adjustable handle
- Safety system with triggers feature
- Optimum in achieving the glossy enduring "wet look" shine and luster
- Full floating skirt traps the polishing dust allowing the vacuum system to leave the floor dust free

IMEC iBlack P1500S

20" Ultra High Speed Polisher
Code 220-P1500S

Technical Specification

Power	1800 W
Voltage	220 - 240 V
Speed	1500 rpm
Weight	43 kg
Pad Holder Size	20"
Cable Length	12 m
Drive	Belt

★ Standard Accessories
Pad Holder

- Powerful 1500 rpm pad rotation for excellent gloss result
- Maintenance free with adjustable handle
- Easy to handle and ideal for large and small areas
- Produce ultimate wet look on finished floor

IMEC iBlack DR17

17" Diamond Restore Polishing Machine
Code 220-DR17

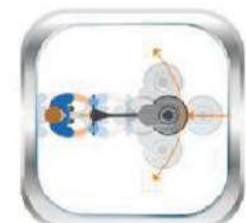

Technical Specification

Voltage	220V - 240V
Motor	1100W
Speed	1400 RPM
System	Agitation
Weight	85kg
Pad Holder Size	17"
Cable Length	11 m
Suitable Flooring	Granite, Marble, Tiles, Natural Stone, Terrazo, Glaze Tile

- Suitable for restoration and polishing
- Easy to handle with push and pull movement

Easy to handle

Agitation system

FLOOR CARE MACHINE

WALK BEHIND AUTO SCRUBBER

Hard to-reach corners & edges are no longer an issue

Its compact size makes it easier to clean in a narrow spaces

IMEC P25

Floor and carpet cleaning machine
Code 220-P25

Technical Specification

Voltage	220-240 V (50-60Hz)
Motor	400 W
Coverage	200 m ² /H
Brush Speed	700 rpm (Front) & 1145 rpm (Rear)
Working Width	25 cm
Solution Tank	4 L
Recovery Tank	1 L
Cable Length	11 m
Dimension (cm)	33 (L) x 28.5 (W) x 14 (H)
Weight	10 Kgs

- Lazy-friendly floor scrubber
- No strength or physical effort is required
- The centrifugal force allow you to deeply clean even at the corners or edges
- Collect dirt by just pushing the machine back and forward with minimum effort

IMEC P35

Floor and carpet cleaning machine
Code 220-P35

Technical Specification

Voltage	220-240 V (50-60Hz)
Motor	400 W
Coverage	500 m ² /H
Brush Speed	700 rpm (Front) & 1145 rpm (Rear)
Working Width	35 cm
Solution Tank	4 L
Recovery Tank	1.8 L
Cable Length	11 m
Dimension (cm)	33 (L) x 38.5 (W) x 14 (H)
Weight	11 Kgs

- Lazy-friendly floor scrubber
- No strength or physical effort is required
- The centrifugal force allow you to deeply clean even at the corners or edges
- Collect dirt by just pushing the machine back and forward with minimum effort

IMEC i-SRUB 43B

Walk Behind Twin Brush Battery Operated Automatic Scrubber
Code 220-i43B

Technical Specification

Voltage	DC 36V
Brush Motor / Rated Power	374.4 W
Brush/Pad Speed	350 rpm
Pad/Brush Size	8" x 2 pcs
Squeegee/Suction Width	50 cm
Recovery Tank Capacity	6.5 L
Working Width	45 cm
Working Capacity	1,300 m ² /H
Run Time	Up to 70 min
Charging Time	8 hours
Product Size (cm)	45 (L) x 45.2 (W) x 119.5 (H)
Weight	17 Kgs (inc battery)

- ★ Standard Accessories
8" x 2 pcs Brush
Charger
Battery

- Can reach hard to reach area
- Save manpower & reduce fatigue
- Lightweight & maneuverable easily
- Dry faster - Scrubs and dry at the same time
- Working width capacity with 2 brushes
- Castor Wheel - Easy to store and transport machine to another spot

FLOOR CARE MACHINE

WALK BEHIND AUTO SCRUBBER

IMEC FIMAP 16B

16" Walk Behind Battery Operated Auto Floor Scrubber
Code 280-103141

Technical Specification

Brush Motor	12 V / 250 W
Suction Motor	12 V / 250 W
Brush Speed	140 rpm
Pad/Brush Size	16"
Suction Width	44 cm
Solution Tank	20 L
Recovery Tank	22 L
Brush Pressure	20 kg
Working Capacity	1.215 m ² /h
Working Width	41 cm
Noise Level	< 69 dB (A)
Machine Weight	67 kg (with battery)
Dimension (cm)	68.5 (L) x 44 (W) x 94.5 (H)

★ Standard Accessories

Pad Holder
Battery
Charger Cable

★ Optional Accessories

Scrubbing Brush

- Highly recommended to use at food court, office, classroom, kitchen, supermarket and etc.
- Smallest battery powered walk behind auto floor scrubber
- Patented parabolic squeegee swinging around the brush to ensure perfect drying even on bends
- Automatic squeegee and brush adjusting system that automatically adjust to any type of surface
- Ideal for cleaning tight spaces and congested areas

IMEC iBlack C43E

Cable Operated Walk Behind Auto Scrubber
Code 230-C43

Technical Specification

Brush Motor	400 W
Suction Motor	1200 W
Voltage	220 - 240 V
Speed	155 rpm
Cable Length	18 m
Pad/Brush Size	16"
Working Capacity	1600 m ² / hour
Cleaning Width	43 cm
Suction Width	82 cm
Solution Tank	30 L
Recovery Tank	30 L
Brush Pressure	31 kg
Dimension (cm)	50 (L) x 109 (W) x 110 (H)
Machine Weight	105 kg
Cable Length	18 m

★ Standard Accessories

Brush & Pad Holder

- Adjustable handle height for low-fatigue operation
- Able to clean up the edges
- Simple and safe operation
- Compact and easy to use with minimal overall machine dimension and removable squeegee tools

Adjustable handle

Safety lock pad

FLOOR CARE MACHINE

WALK BEHIND AUTO SCRUBBER

Ergonomic design

Splash skirt reduce overspray

Parabolic squeegee

Easy to operate with 2 press button

Easy to access for maintenance purpose

Our IMEC iBlack CB50 & CB65 gives you the freedom to clean the floor without limitation of the cable

IMEC iBlack CB45

20" Walk Behind Battery Operated Auto Floor Scrubber
Code 230-CB45

Technical Specification

Brush Motor	24V / 550W
Vacuum Motor	24V / 500W
Brush Speed	210 rpm
Pad/Brush Size	20"
Suction Width	75.5 cm
Working Width	50.8 cm
Working Capacity	1750 m ² /H
Solution Tank	50L
Recovery Tank	50L
Brush Pressure	30 Kgs
Machine Weight	145 Kgs
Dimension (cm)	49 (L) x 120 (W) x 89 (H)

- ★ Standard Accessories
 - Pad Holder
 - Charger
 - Battery
- ★ Optional Accessories
 - Scrubbing Brush

- Simple and safe operation
- Compact design and easy to use
- Fast dry with scrubbing and suction at the same time
- Excellent cleaning in congested area
- Comfortable operating design

IMEC iBlack CB65

Walk Behind 20" Battery Operated Auto Scrubber
Code 250-CB65

Technical Specification

Brush Motor	24 V / 550 W
Suction Motor	24 V / 550 W
Brush Speed	180 rpm
Pad/Brush Size	20"
Working Width	60 cm
Working Capacity	2200 m ² / hour
Suction Width	81.5 cm
Solution Tank	65 L
Recovery Tank	75 L
Dimension (cm)	50 (L) x 135 (W) x 104 (H)
Machine Weight	155 kg

- ★ Standard Accessories
 - Pad Holder
 - Battery
 - Charger
- ★ Optional Accessories
 - Scrubbing Brush

- Reliable and safe: It is safe to operate even when the operator operates with wet hands as there is a protective cover on the switch button
- High battery capacity: Operating time up to 2.5 hours
- Convenient and easy: Can be operated with a simple control panel
- Fast dry: Can work on scrubbing and suction at the same time
- Increase productivity: Has extra large tank (Solution tank of 65L and recovery tank of 75L) that reduce the frequency of changing water

Million Blue Brush
Scrubbing Brush

- The First Most Compact and Environmental Friendly Ride On Auto Scrubber in Malaysia.
- Comes with Eco-Mode function that helps to ensure energy and water savings during cleaning.
- Equipped with FNC (Fimap Noise Cancelling) technology which keeps the sound pressure levels extremely low which enable it to work at the most noise-sensitive surroundings especially in the healthcare industry.
- Very User-Friendly and Easy to Operate.
- Can be use at narrow walkways or spaces and can fit into a lift for easy transportation in multilevel buildings.
- Comes with increased safety features to ensure your floor is dry to prevent any slip or fall accidents in your premises.
- A faster and more convenient alternative for small, cluttered spaces where a walk behind scrubbing machine would normally be used.

Protective frame to ensure longer working life

▶ RIDE-ON AUTO SCRUBBER

- Floating and self-adjusting central broom for proper contact with ground surface
- Suitable for all types of dirt, both indoors and outdoors
- User friendly design, no operator training required
- Automatic electrical emptying system
- Up to 6m² filtering capacity
- Powered with a 5.5 hp Honda engine

Easy to inspect & recharge battery

Practical tool pedal to control forward & reverse movements

Easy to change central & side brush

FLOOR CARE MACHINE

RIDE-ON SWEEPER

IMEC FS80D

112cm Ride On Street Sweeper with Hydraulic System Diesel Driven
Code 280-104480

Technical Specification

Diesel Engine	14 hp Perkins - Diesel
Working Width	112 cm
Central Broom Length	80 cm
Side Brush Length	50 cm
Working Capacity	8,960 m ² /h
Dirty Hopper Capacity	190 L
Dump Height	140 cm - Hydraulic system
Weight	730 kg
Dimension (cm)	202 (L) x 113 (W) x 143 (H)

- For maximum driving comfort and reliability, all main functions are hydraulic: Traction, Lifting and emptying the rubbish container, Rotating the brushes and Vacuuming dust
- The self-adjusting central broom will keep consistent surface contact, even on uneven surfaces with a tilt up to 20%
- Car-styled instruments panel with immediate visualization of all the functions
- Designed with new FIMAP Energy Saver system that increase performance, reduce energy consumption up to 35%
- Comes with a 14 hp Perkins Diesel engine

Innovative steering wheel for maximum driving comfort

Rounded body edges improve sweeper maneuverability

Avoid damage from accidental knocks with retractable side brush

Product training will be provided to guide your team on how-to-use and how-to-maintain the machine for a longer lifespan

IMEC FS100D

Ride On 135cm Auto Road Sweeper with Electrical Hydraulic System Diesel Driven
Code 280-103453

Technical Specification

Diesel Engine	28 hp Perkins - Diesel
Working Width	135 cm
Central Broom Length	100 cm
Side Brush Length	50 cm
Working Capacity	16,250 m ² /h
Dirty Hopper Capacity	400 L
Dump Height	150 cm
Weight	1070 kg
Dimension (cm)	233 (L) x 138 (W) x 172 (H)

Comfortable step provide easy access to driver's seat

- Optimum work of autonomy with maximum energy savings
- Maximum attention of comfort: the driver's seat is accessible from both sides and has been made to measure for the operator, to make the operator as comfortable as possible while working
- Excellent accessibility to the motor compartment, for carrying out any type of intervention - routine and extraordinary - inside the machine, without obstacles
- Designed to ensure safety and reliability in all working conditions
- Excellent cleaning results, thanks to the central brush with its floating, self-adjusting system that ensures it is always in perfect contact with the floor
- The side brush retracts in the event of accidental jolts, avoiding any possible damage
- The adjustment of the side brush inclination means you can adapt it to any type of application, to remove any residue along edges and up against the wall
- Comes with a 28HP Diesel engine

Flexible handle

Retractable side brush to absorb accidental impacts

FLOOR CARE MACHINE

IMEC HP150A Plus

High Pressure Cleaner
Code 205-150A-plus

Technical Specification

Voltage	220 - 240 V
Motor	3000 W
Max Pressure	160 Bar
Flow Rate	10 L/Min
Solution Tank	2 x 600 ml
Water Hose	30 ft
Cable Length	5 m
Weight	±24 Kg
Dimension (cm)	38 (L) x 33 (W) x 84 (H)

★ Standard Accessories
Water Hose
Pressure Gun
Pressure Lance
Turbo Lance

Accessories provided

Built-in pressure hose roller for tidy look & prevent from cluttered

- Heavy duty high-speed motor provides marvellous cleaning power up to 4 hours non-stop operation
- Hassle free operating system thanks to the easy valve function
- Optional turbo jet for superb cleaning power
- Cleaning and maintenance of all kinds of sector such as logistic, industrial, hospitality, automotive, transport, F&B and retail
- Suitable to clean exterior walls, floors, drainage and corner which are hard-to-reach area

▲ HIGH PRESSURE JET

IMEC HP130

High Pressure Jet
Code 205-130

Technical Specification

Voltage	220-240 V
Frequency	5-60 Hz
Motor Power	2500 W
Spray Rate/Water	130 Bar / 13 Mpa
Pump Pressure	
Water Pump Speed	1400 rpm
Water Flow Rate	10 L/Min
Product Weight	44 kgs

- The machine is designed for use the toughest conditions, with an extremely robust basic frame, and is surprisingly mobile thanks to the ergonomic frame concept
- High-pressure triggered gun with zero holding force for fatigue-free operation
- Mainly used in cleaning and maintenance of all kinds of airports, railway station, car parks, logistic centres and industrial facilities

IMEC HP270G

Petrol Driven High Pressure Jet
Code 205-270G-COM

Technical Specification

Motor Power	15 hp
Motor Type	LiFan Motor
Petrol/Diesel Tank Capacity	5 Litre
Spray Rate/Water	270 Bar / 27 Mpa
Pump Pressure	
Water Flow Rate	15 L/Min
Max Inlet Water Temperature	30°C
Product Size (cm)	55 (L) x 90 (W) x 69 (H)
Weight	70 Kgs

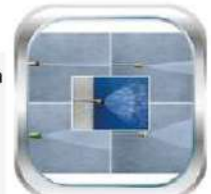

- The petrol driven high pressure jet cleaner is fitted with a LiFan petrol engine, allowing total independence from external power sources
- The pump is reliably protected by a large water filter and a thermostat valve
- A protective cage frame with eyelets to allow crane loading

- Moulded-in cord hook to hold cable when not in use
- Adjustable air flow enables selection of different levels of air flow for different usage
- Dries any types of floor and carpet quickly and thoroughly

2 angle air flow

Stackable

IMEC iBlack PRO-C

Super Cool Wind Blower
Code 201-338

Technical Specification

Voltage	220 - 240 V
Motor	900 W
Air Flow	High - 5650 cfm Medium - 4591 cfm Low - 3885 cfm
Weight	18 kg
Dimension (cm)	53 (L) x 42 (W) x 52 (H)
Cable Length	7m

- Super strong air, save drying time by HALF!
- Polyurethanes housing impact resistance
- Comes with extendable telescopic handle & large rear wheels for easy transportation
- Rock-solid base structure provide perfect stability during operation
- Features elevator stand to raise the blower for different angles (90°C/ 45°C)
- Available in 3 speed level (low, medium & high) to suit various application

Sturdy adjustable telescopic handle

Large solid non-markable castor

Less noisy with stable rubber base to prevent floor scratching

FLOOR CARE MACHINE

UPHOLSTERY / CARPET CARE

IMEC CK 3030

Heavy Duty Carpet Keeper
Code 210-3030

Technical Specification

Voltage	220 - 240 V
Motor	1 hp (2 Motor)
Brush Size (WxDia)	28" x 3"
Brush Speed	1800 rpm
Cable Length	22 m
Handle Length	30"
Noise Level	70 dB (A)
Weight	95 kg
Dimension (cm)	96 (L) x 50 (W) x 90 (H)

- High efficiency cleaning performance in large carpeted area
- Handle folds down and the unit can be stood on end for storage
- An ergonomically-designed handle with cushioned grips and safety switch
- Five pile height adjustment with a simple foot pedal
- Handle can be adjusted for operator comfort
- Four stage clean-air filtration for cleaner carpets and healthier environment
- 1800 rpm brush loosens deep down dirt and revives carpet pile

★ Optional Accessories

Paper Filter Bag (210-320)
10 pcs / pack

Cloth Filter Bag (210-222)
1 pc

Foldable handle for easy storage

Large tank capacity

IMEC CK2626B

26" Carpet Keeper Battery Operated
Code 210-2626

Technical Specification

Vacuum Motor	36 V / 436W x 2
Brush Motor	36 V / 150W
Brush Speed	1420 rpm
Vacuum at Nozzle	3.86 kPa
Air Flow Rate	172 L/Sec
Mode of Cooling	Air-cooled
Vacuum Suction	14 M/Bar
Noise Level	75 dB (A)
Working Capacity	2500 m ² /Hour
Working Width	66 cm
Running Hours	2 Hours
Charging Hours	4 Hours
Dust Bag Capacity	35 Lit/Kg
Handle Height (cm)	70cm
Weight	86 kg

- Vacuum & clean large area easily & effectively
- Delivers performance and increase productivity up to 2500 square meter per hours
- Easy operation and reducing operator fatigue while handling the machine
- Brush effectively removes dust and revive carpet pile in high traffic areas so your carpets stay looking great longer
- Comes with circuit breaker to protect an electrical circuit from damage caused by excess current from an overload or short circuit
- Simple step of emptying dust bag is by taking out the bag and throwing the dust

★ Optional Accessories

Cloth Filter Bag (210-222)
1 pc

IMEC INTER JET

Heater Extractor System Machine
Code 201-900

Technical Specification

Vacuum Motor	2 x 1100 W
Solution Tank	30 L
Recovery Tank	30 L
Pressure	100 psi
Heater	900 W
Thermostat Control	Manufacture set at 70°C
Solution Hose	13 ft with brass coupling
Vacuum Hose	14 ft

★ Standard Accessories
Vacuum & Water Hose
Professional Stainless Steel Wand

★ Optional Accessories
Hand Utility Tools

- Heavy duty multipurpose carpet/upholstery cleaning machine
- Its Lamp motor and Flowjet pump ensure durability and long hour operations
- Effectively removes dirt and residue without over-wetting the carpet
- Hot water extraction enhances the cleaning performance leaving the carpet clean and ready for use within an hour

FLOOR CARE MACHINE

4 spray nozzle

IMEC iBlack MOBILE 400EX

Carpet Self-Contain Unit
Code 201-400

Technical Specification

Voltage	220 - 240 V
Vacuum Motor	1000 W
Brush Motor	1122 W
Brush Speed	1500 rpm
Pressure	30 psi
Coverage Per Filling	900 sq. ft
Brush Width	35 cm
Suction Width	46 cm
Solution Tank	25 L
Recovery Tank	36 L
Weight	46 kg
Cable Length	18 m
Dimension (cm)	43 (L) x 91 (W) x 92 (H)

★ Standard Accessories

Vacuum & Water Hose

Hand Utility Tools

- Spray, clean & dry in one pass.
- Large tank capacity provides efficient cleaning with minimal interruption to refill solutions.
- Quick surface drying & super strong suction.
- Safe on carpet, sofas & car tapestry

IMEC MOBILE 400M

Carpet Extractor Machine
Code 201-400M

Technical Specification

Voltage	220 - 240 V
Vacuum Motor	1000 W
Spray Motor	34 W
Vacuum Suction	230 m/Bar
Spray Rate	87 Psi / 6 Bar
Vacuum Air Flow	53 L/s
Solution Tank	10 L
Recovery Tank	40 L
Coverage per filling	144 m ² /hour
Cable Length	7 m
Dimension (cm)	40 (L) x 40 (W) x 87 (H)
Weight	±17 kg

★ Standard Accessories

Detergent and Vacuum Hose x 1 Set

Upholstery Tools x 1 Unit

Floor Wand x 1 Unit

- 3 in 1 function - Spray, Clean & Dry in one pass
- Compact design for easy transportation and easy clean at congested area
- Provides efficient cleaning
- Safe on carpet, sofas & car tapestry

Durable stainless steel recovery tank

IMEC MOBILE 800M

Carpet Extractor Machine
Code 201-800M

Technical Specification

Voltage	220 - 240 V
Vacuum Motor	1000 W x 2
Water Pump Motor	110 W
Vacuum Suction	250 m/Bar
Spray Rate	30 Psi / 2 Bar
Vacuum Air Flow	106 L/s
Solution Tank	20 L
Recovery Tank	60 L
Coverage per filling	144 m ² /hour
Cable Length	7 m
Dimension (cm)	48 (L) x 60 (W) x 104 (H)
Weight	±38 kg

★ Standard Accessories

Detergent and Vacuum Hose x 1 Set

Upholstery Tools x 1 Unit

Floor Wand x 1 Unit

- Spray, clean & dry in one pass.
- Large tank capacity provides efficient cleaning with minimal interruption to refill solutions.
- Quick surface drying & super strong suction due to twin vacuum motor.
- Safe on carpet, sofas & car tapestry

Durable stainless steel recovery tank

Convenient Drain Hose

Two large wheels for excellent maneuverability

SPECIALITY MACHINE

We truly care about your hygiene and safety

SPECIALITY MACHINE

ESCALATOR CLEANING

IMEC X-46

Escalator Cleaner Machine
Code 208-2046-00

Technical Specification

Brush Motor	220 W
Vacuum Motor	1000 W
Voltage	220 - 240 V
Brush Speed	1800 rpm
Body Material	Metal
Dust Bag Capacity	10 L
Brush Width	45 cm
Cable Length	12 m
Weight	38.5 kg
Dimension (cm)	95(L) x 54(W) x 31(H)

- Motorized power brush removes dirt, stains & dust from escalator & mechanical walkways
- The height of the roll brush can be adjusted automatically
- Contains a dust bag for easy dust collection
- Easy to transport and handle can be fold down

Travolator

Escalator

IMEC X36B

Escalator Hand Rail Machine
Code 208-2036

Technical Specification

Voltage	12V / 1A
Electricity/Battery	1800 Mah
Capacity	
Pump Pressure	435 Psi / 30 Bar
Flow	1.5L / Min
Solution Tank Capacity	4 Lit
Weight	17.4 kg
Dimension (cm)	39(L) x 52(W) x 100(H)

★ Standard Accessories

- Microfiber Cloth x 2 pcs
- AC Charger x 1 unit
- Power Bank x 1 unit

- 24cm microfiber cleaning pad specially designed for cleaning the entire rubber handrail
- Ergonomic handle with rubber foam for better comfort
- Contains a dust bag for easy dust collection and removable microfiber pad holder to clean it after usage
- Remove dirt, soil, bacteria & moisture from the handrail - leaving it cleaner & safer surface to use
- Durable stainless steel construction
- Movable holder pole to allow it more flexibility to move follow the rubber handrail

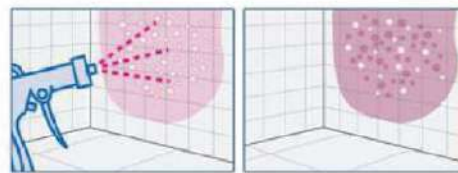

IMEC POWERTEC 30

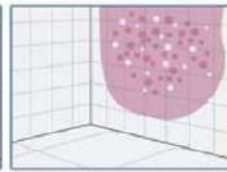

Spray-Rinse-Vacuum Machine
Code 290-11030

Technical Specification

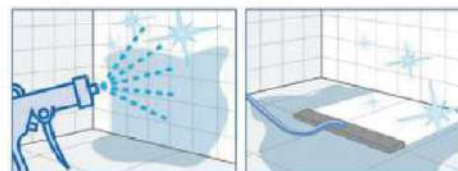

Voltage	220 - 240 V
Vacuum Motor	1000 W
Max. Waterlift	2200 mmH ₂ O
Max. Airflow	50 l/s
Recovery Tank	30 L
Solution Tank	30 L
Pump Pressure (max.)	9 bar
Cable Length	10 m
Spray Hose	5 m
Vacuum Hose	5 m
Water Flow (max)	5 L/min
Weight	35 kg
Dimension (cm)	38 (L) x 60 (W) x 78 (H)

1 Spraying

2 Chemical action

3 Rinsing

4 Vacuuming

Use with
IMEC SANI-FOAM
& IMEC ANTIFOAM

SPRAY-RINSE-VACUUM

- 3 in 1 system : Spray, Rinse & Vacuum
- Quick & easy solution for daily cleaning & sanitizing of washrooms, kitchen, offices, factories, healthcare centres, education centres, swimming pools, saunas & spas area
- Complete cleaning & sanitizing result : spraying surface with chemical solution, rinse after a few minutes and vacuum all residue liquid from floor, leaving room dry, clean & sanitized
- Save time & reduced labour cost : minimum manual work since the dirt is removed by the chemical action and mechanical action of rinsing.
- Time & number of workers required can be reduced
- Safety for workers : does not come in contact with the surfaces & the object to be cleaned as well as does not get wet by splashing water, because rinsing is done with low pressure
- Time saving : while chemical solution acts on the surfaces where it has already been sprayed, the worker is free to operate on other surfaces
- Therefore, even a big room can be completely cleaned in a short time without idling
- Complete with vacuum, possibility to operate in places without drains
- Small & lightweight, easy to transport & stored
- Can be used as injection-extraction machine for carpet & upholstery cleaning

SPECIALITY MACHINE

STEAM INJECTION MACHINE

IMEC JS08 PLUS

Steam Injection with Overheated Water Injection 8 Bar
Code 207-2162908

Technical Specification

Voltage	220 - 240 V
Boiler Output	2400 W
Body	ABS
Water Tank	3 L
Detergent Tank	3 L
Pressure	8 bar
Steam Temperature	170 - 190 °C
Steam Production	64 g/min
Weight	12 kg
Dimension (cm)	53 (L) x 40 (W) x 52 (H)

Full Accessories

- Best for sanitizing and disinfecting
- Effectively and naturally cleaning power
- Professional attachments for various cleaning task
- Large tank capacity
- Eco-friendly

Carpet

Tiles

Mirror

Cushion & Sofa

IMEC JS10-SS

S/Steel Steam with Overheated Water Injection 6 Bar
Code 207-PW30061

Technical Specification

Voltage	220 - 240 V (50-60 Hz)
Heating Motor Power	3650 W
Vacuum Motor Power	Stainless Steel BA
Water Tank Capacity	3 L
Boiler Tank Capacity	4 L
Detergent Tank Capacity	3 L
Steam Temperature	90-160°C
Steam Production	97 g/min
Weight	33 kg
Dimension (cm)	60 (L) x 45 (W) x 75 (H)

Full Accessories

- Best for sanitizing and disinfecting
- Effectively and naturally cleaning power
- Professional attachments for various cleaning task
- Large tank capacity
- Eco-friendly

SPECIALITY MACHINE

STEAM INJECTION MACHINE

IMEC JS 14-SS

Stainless Steel Steam Injection Machine
Code 207-3000401

Technical Specification

Voltage	220 - 240 V
Boiler Output	3600 W
Body	Stainless Steel BA
Water Tank	7.5 L
Detergent Tank	7.5 L
Pressure	6 bar / 87 psi
Steam Temperature	165°C
Steam Production	97 g/min
Weight	35 kg
Dimension (cm)	50 (L) x 40 (W) x 80 (H)

- Pollution-Free Green Cleaning Technology
- Food Safe and Ecologically friendly approach
- Compliance to HACCP
- Clean & Disinfect all surfaces without the use of chemical or detergent but only requires water
- Powerful steam pressure combined with overheat water injection penetrates into all hard to reach areas
- Superheated hot steam up to 165°C melts away and dislodges all grease, dirt and stubborn stain particles

SPECIALITY MACHINE

SANITATION MACHINE

i-NANO2 PLUS

Battery Operated 3 Speed Nano Mist Sprayer
Code 308-0012-00

Technical Specification

Product Code	308-0012-00
Voltage	5V
Rated Power	10W
Coverage Area	100 sq.ft/min
Spray Volume	±8.3 ml/min
Mist Particles	20 microns
Spray Range	Up to 1.5 meter
Tank Capacity	500 ml
Product Weight	0.46 kg
Battery Capacity	4,000 mA/H
Operation Hour	60 - 80 minutes
Charging Hour	3 Hours
Product Size	25.5 (L) x 8.5 (W) x 17.5 (H)

- Lightweight
- Spray over on narrow spaces
- Blue light to determine the surface has been covered with disinfectant
- Powerful action with 2pc 2000mAh Lithium Batteries
- Simple operation & free maintenance

Electrostatic Charge ON/OFF

18V Lithium Battery

1L Tank

IMEC FIMAP E-Spray

Professional Spray Gun with Electrostatic Hygienization
Code 280-109823

Technical Specification

Voltage	18V (2 Ah)
Motor Power	20W
Coverage Area	350 m ² /Hour
Spray Volume/ Flow Rate	45 ml/min 61 ml/min 77 ml/min
Mist Particles	40 / 60 / 80 µm
Solution Tank	1L
Running Time	Up to 8 hours
Weight	1.8 Kgs

- Allows to coat a surface with disinfectant solution evenly and uniformly with the electrostatically charged spray makes each surface covered with the micronized solution
- Sanitation and disinfection time can be run in a short time. Thanks to the quick distribution of the solution
- The mist sprayed in a very small and light drops, which reach every point of the area to be treated and settle effectively
- Light weight and very comfortable
- Powered by a lithium battery that allows to carry out hygienization for up to 8 hours freely without being tied down by a cable
- The small size allows the operator to sanitize small rooms and space
- Certified as ISO compliance
- Standard accessories provided

THE NEW INNOVATIVE RECYCLE BINS

IMEC MGT 120R/240R

- 🌱 Reduce Pollution
- 💡 Save Energy
- 🌳 Reduce Harmful CO² Emission
- 💰 Save Cost
- 🌿 Save Natural Resources

WHY YOU SHOULD INCORPORATE
RECYCLE
PROGRAMME
INTO YOUR FACILITIES

THE 3R'S REDUCE • REUSE • RECYCLE

REDUCE

Cut down the waste you produce!

REUSE

Instead of throwing things away, find ways to use them again!

RECYCLE

Segregate your waste by categories (Aluminium, Paper, Plastic, Glass, etc) and bring it to the recycling center!

CUSTOM MADE RECYCLE STICKERS

BUILDING SERVICES PRODUCT

FLOOR MATTING

*Suitable for:

*Optional:

- Aesthetic range of floor matting suitable for indoor entrances to banks, offices, lobbies, shopping malls and restaurants
- To keep washrooms and other areas clean & dry
- Anti-slip function
- Ability to scrape dirt and moistness from shoes

- An Everlasting Solution with Solution-dye yarn made with a nylon 6.6 fibre.
- Outstanding moisture absorption.
- Cut-end designed efficiently traps water, dust, soil and collect dirt & oil.

- Super gripper cleats & smooth backing.
- Offer superior stability on the floor and will help to protect against slip hazards.

IMEC Forever Mat

Dust and Wet Control Mat

Code	Dimension (ft)	Colour
306-1032	3' x 2'	Black Red/Graphite/Light Grey
306-1035	3' x 5'	Black Red/Graphite/Light Grey
306-1046	4' x 6'	Black Red/Graphite/Light Grey
306-1048	4' x 8'	Black Red/Graphite/Light Grey
306-1412	4' x 12'	Black Red/Graphite/Light Grey

- A palette of 150 standard colours to create the most complex photo-realistic & logo designs as well as rich & saturated solid shades.

- Colour Symphony™ HD to achieve greater clarity of design, finer text definition, shadowing, shading & 3D effects.

- Super gripper cleats & smooth backing.
- Offer an overall lighter weight construction & a more sustainable option for easier handling both in service & in the laundry.

IMEC Washroom Mat

Anti-Slip Washroom Mat

Code	Dimension (inch)	Colour
306-4208-R/G/B	8' x 8'	Red/Blue/Grey

BUILDING SERVICES PRODUCT

- Stronger
 - Nitrile is 3 times stronger than PVC.
- Quick Drying
 - Molded studded pattern promotes air circulation.
- Anti-Slip
 - Durable textured surface helps to prevent slipping.
- Anti-Fatigue
 - Cushioned construction helps to reduce foot, ankle, leg and back fatigue in areas where employees or visitors stand for long periods of time.
- Anti-Microbial
 - Patented rubber formulation which makes the mat solvent & grease resistant, while preventing the growth of microorganisms & bacteria.

* Suitable for: indoor outdoor fire resistance ashtray

IMEC Ultraflow

Anti-Slip, Anti-Fatigue & Antimicrobial Mat

Code 306-3035 Dimension (ft) 3' x 5' Colour Black

IMEC Ultrasan

Anti-Slip, Anti-Fatigue & Antimicrobial Mat

Code 306-2035 Dimension (ft) 3' x 5' Colour Black

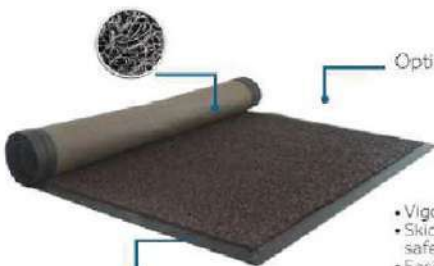

- Enhance safety, reduce the possibility of slip, fall and accidents from moisture and grease
- Heavy duty anti slippery rubber materials that make the mat grip better in any hard surface
- Absorb the impact of any falling objects to prevent damage
- The excellent anti-fatigue properties is specially designed for extra comfort, reduce the fatigueness of long standing hours

IMEC SM35R

Safewalk Light Standard Mat

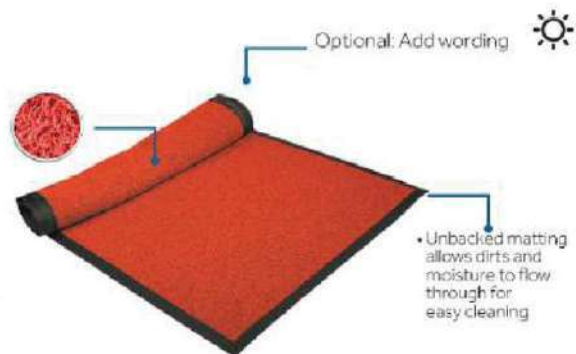

Code 306-5035-BLK Dimension (ft) 3' x 5' Colour Black

• Backed matting can be used for indoor applications & protects floor surfaces

Optional: Add wording

- Vigorously traps and holds dirt
- Skid resistant backing improves safety against slips and falls
- Easily cleaned by shaking or hosing off

Optional: Add wording

- Unbacked matting allows dirt and moisture to flow through for easy cleaning
